

GIFT TEAM

Pupil Leadership Action Plan 2024/5

Review of last year – what did we achieve? What impact did it have on our school family?

In 2023/24, new members joined the GIFT team and we enjoyed the training in school and at Mount St Joseph's with other GIFT teams and their chaplaincy team at different points through the year.

The best part about the training was the afternoon mass and the scripture activities and it helped us in our role as we got more confident and could use some of the activities back at school.

We enjoyed helping to lead the important celebrations in our school calendar such as Las Posadas and the Easter Journey.

Last year we also grew in our ability and confidence to plan and lead prayer stations for infants and Class 4. We reflected and learned each time so they got better. We learned how to think of more creative activities linked to the Word. This helped the younger children to understand the story and talk to God.

We also planned and created our indoor prayer space to compliment the prayer garden. This means that we always have a special prayer space open to everyone.

Overall Objective:

What will success look like?

<i>Continue to offer different ways of praying to help our school family grow in their relationship with God.</i>		<ul style="list-style-type: none"> • We will have more confidence and knowledge about how to lead different kinds of prayer and worships. • We will have planned and lead lots of different celebrations for different members in our school family. • Our school family will continue to grow in faith together, including with our parish. 	
What do we need?		What will this look like?	REVIEW BOX – how are we getting on?
A	Training. We would like to continue to work with other GIFT teams and continue to gather ideas to share our faith.	Continued partnership work with the MSJ schools through their GIFT team programme throughout the year. Seek out other opportunities – perhaps with other schools in ST Teresa of Calcutta trust – to work together eg The special first mass for all GIFT teams.	
B	To plan and lead a variety of prayer and worship celebrations throughout the year.	These will include lunchtime prayer group, Gather (KS2), Partnership mass with parish, Prayer Stations, Celebrations fitting with liturgical season (eg stations of the cross) and making more links with Fr Heakin.	
C	To review our work, helping us to continue to develop as a GIFT team.	We will meet regularly and work together to think about things that have worked well and new things that we would like to try.
